## BOARD OF TRUSTEES IMPROVEMENTS 1960-1961

## **SUPERINTENDENT'S MESSAGE**

To the Class of 1961:

Here it is graduating time again. Another group of future citizens is graduating from Liberty. You are now quite well-educated and thinking young men and women. You do not just accept everything said to you, but do some critical analyzing before reaching a decision. This, among other things, is what the school has tried to accomplish during your four years here. Continue to be critical thinkers, regardless of your future pursuits in adult life. Especially be critical in your political choices, so that only the best people will represent you in government. Be critical in your thinking about your personal decisions; your life's work, choosing a mate, and your moral and spiritual values. I do not mean for you to be trouble finders, but rather to give serious thought to issues before making important decisions. If you and the thousands of others graduating this year will be thinking citizens, we need not have too much worry about our country's future.

Congratulations on your graduation and sincere wishes for your future.

Very truly yours,  
L. Vernon Greenleaf

## **SUPERINTENDENT AND PRINCIPAL**

### **PRINCIPAL'S MESSAGE**

Members of the Class of '61, as you write the pages of your life's book, my sincere desire is that you find within the pages an interest, a challenge and a satisfaction. And, if within the history of your high school days, as recorded in this fine yearbook, you have found an inspiration toward a successful and happy plot, we, of your Administration and Faculty will cherish the thought that in some small way we may have made a contribution to that success.

Very sincerely,  
Frank H. Vonder Ahe

## CLASS OF '64

The Freshman class started out the year by taking charge of the first football game of the season with the help of the Seniors, we think it was a big success.

The reception given to us by the Sophomores was enjoyable and very entertaining.

Around Homecoming time, we must have been the most swelled-headed Frosh in the history of Liberty, having won second place on our float entered in the parade.

Other projects such as the candy sale and the Freshman Dance, contributed money as well as memories to us.

The hope we have added spirit to our school, and we will strive to continue to do so.

One of the purposes of the Future Farmers of America is to participate in worthy undertakings for the improvement of agriculture.

The Brentwood Chapter seeks to accomplish this objective by participating in Fairs and judging contests. By taking their animals, crops and farm mechanic projects to a competitive show they hope to learn the importance of high quality agricultural products. The local chapter sponsors a Judging Contest each year for the Future Farmers of Central California.

## ADVISORS

The Girls' Athletic Association had an average of 100 girls attending ten sports throughout the year. They sponsored a swim show and a turn-about dance. Many of the girls attended interscholastic playdays. The group also helped with the food drive at Christmas. The climax of the year comes with the banquet at which awards are presented and recipients honored.

## QUEST CLUB

Splashing of soap, honking of Thunderbirds, water wars, scrubbing, polishing, being tired--this was the Quest Club car wash, started in order to raise money for seats at the Ashland Shakespearean Festival. Best sight of the day: that last car washed.

Dramatically, class skits, from MACBETH to HAMLET to LEAR to OTHELLO, were culminating efforts after these plays had been read. Other activities included T-V get togethers to watch MEDEA and MACBETH, and for the ladies with the purple hats (The Oakley Woman's Club), we presented scenes from Shakespeare's plays.

But by far the biggest and the most back-breaking, mind-wearying project was the Quest Club play. So many hours of rehearsals, dancing, acting, lighting--when would it stop! Opening night--those people--all those people--eyes--they're looking at us--at us.

Now we look toward Ashland and a seeing for ourselves--with our eyes--that which we have studied with our mind and with our hearts.

FRONT ROW: N. Boyer, D. Sciortino, J. Swicegood, T. Trammel, C. Benn, M. Biglow, P. Pinkston, SECOND ROW: S. Esparcia, E. Swicegood, J. Applegate, L. Rangle, P. Mercer, F. Tovar. BOTTOM UP: F. ## GIRLS' BLOCK "L"

Girls who have earned their Block "L" through outstanding and continual participation in G.A.A. for approximately two years are members of the Girls' Block "L." An annual picnic is held in the fall, with a progressive dinner later in the year. Girls' Block "L" is governed under the constitution of the G.A.A., but Sharon Roper heads our meetings as president.

BOTTOM ROW: C. Garcia, R. Yoder, J. Ricioli, T. Jose, J. Trango, D. Pilati, L. Pinkston, D. Davis, SECOND ROW: D. Armstrong, M. Frey, P. Smith, L. Patty, T. Wisecarver, T. Wiley, R. Trzepkowski, D. Mercado, D. Linn, M. Griffith, G. Helland, D. Dyer.

## BOYS' BLOCK "L"

The Block "L" Society is a honorary athletic fellowship of varsity letter winners who have formed together to advance the cause of athletics and service to their school.

The Block "L" is directly responsible for the system of athletic awards and inforcing the regulations for proper display of such awards.

Annually the Block "L" sponsors such activities as the Sportscade, Harlem Clowns, and the Block "L" dance, and with the proceeds of such activities, they sponsor such school and athletic services as trophies and athletic awards for all sports; a Medical Aid Fund; a film fund; and contributions to the annual!

Also, along with G.A.A. they co-sponsor a Christmas Food and Welfare Drive.

The Block "L" also supervises the student behavior at all rallies and assemblies.

Each year, they have a picnic or dinner in which the boys get together for fun and feast.

## CLASS OF '63

Our Sophomore year was very enjoyable to us all, as we were now well accustomed to high school. We built a float for the annual homecoming game to start off our new year at Liberty. We followed this with our coke sale at the end of the football season. On October 22nd our toil paid off with a successful Sophomore Hop; for our theme we chose "Moonglow."

In the Spring we had a profitable car wash, which just about ended our activities for the year. We all now look forward to our Junior year.

The 1960 varsity football team didn't win any titles, but the team certainly played some fine games. They held the league champions from Livermore 19 to 6, their lowest score, and defeated Galt, John Swett and St. Elizabeth. The Lions also held the Antioch and Pacifica teams to 6 to 0 scores.

The team was strong defensively in most games, but offensively they lacked speed to be a real threat.

The feature of the season was Dick Linn's selection as All League and All Metropolitan End. Sergio Fernandez was elected as team captain, and at the conclusion of the season the following players received special awards at the annual Lions Club Banquet:

#### AWARDS

Dick Linn . . . Lions Club Outstanding Player Award

## 

The 1960-61 basketball season saw some fast and exciting action in the games, although the Liberty Hi Varsity won only three games. In many of the games there were some outstanding performances by different individuals and there were many good team efforts.

Captain Mike Griffith led the team in rebounding and free throw shooting and won honorable mention on the league team. Dick Linn led the team in field goals and also in total scoring having his biggest night by scoring 27 points. He was a second team all league choice.

Jess Tarango was the floor general and best ball handler. He was the most improved ball player on the team. Teaming with these three were Jr., David Dyer, and Sr., Charles Ligon. David was the third high scorer on the team and Charlie was the other back court man who teamed up with Tarango. Other letter winners are Larry Patty, who will be graduating, Charles Dwelley, the best defense big man and one of the best rebounders, and Pete Smith who is one of our better rebounders. Ronald Somerhalder, Fred Valverde, Tony Rios, Ron Dell Imagine and George Negrete all will be returning to help form the nucleus for next year's team.

## 1960-61 SEASON

The 1960-61 Basketball season may not be considered as a successful one in terms of games won and lost, but it was successful, in that our boys represented themselves and the school in a manner that was of the highest type of conduct.

The beginning of the season found our "B" team with one returning letterman. This means that our team was young and inexperienced. Two freshmen, Butch Smith and Mike Tarango played some very fine games in their first year of competition. The littliest man on the team, freshman Joe Biasi, displayed enough spirit and hustle to earn a letter. Ray Valverde was chosen as the season captain by his teammates. Frank Caldera, Joe Tarango, Mike Dacus, Reggie Richart, Doug Hammond and Richart Patos showed great improvement as the season progressed.

Many of these boys will move up to our varsity, and the experience they gained with the "B" team will enable them to represent our school on the basketball court with the competitive spirit that Liberty High School is noted for.

## VARSITY AND J. V. SWIMMING

The 1961 edition of the Liberty Swimming Team will be a young team in the process of rebuilding some of its power. The loss of two stellar swimmers, Bill Painter and Rich Clemons, thru graduation, and the untimely and grievous loss of two of our beloved teammates who would have competed again this season leaves a void that will be very difficult to fill.

Lettermen returning again this season who should lend power for a good nucleus include: Rodney Yoder, Tom Wiscarver, Tom Fitzpatrick, Mike R. Griffith, David Johnson and Tim Jose. The outstanding sprinter in this group is Capt. Mike Griffith who should again reign supreme in the 50 and 100 yard freestyle events as well as anchoring the freestyle relay team.

Co-Captain of the team is Tom Wiscarver, a very fast improving breaststroker who has a very competitive spirit.

There are several new swimmers out for the team this season who should develop into fine swimmers. Some of these boys are as follows: Mick Barnes, John Arnold, Jim Wiscarver, Fred Turner, Ken Bloodworth, and Scotty Cunningham.

From last season's championship "B" Team we have David Wristen, Reg Richart, Mel Bombardier, Gary and Larry Lindsay, Emil Geddes, and David Pedersen all of whom should really do a fine job on the varsity. These boys all have great desire and good attitude, so they should really improve and push the record book even further down in time to come.

## VARSITY AND J. V. BASEBALL

At the time of this writing, the Liberty Varsity Baseball team was preparing for league play. The team appears to have a good pitching staff in Dennis Piloti, David Whitely, and Bob Fredricks. Coach Bronzan feels that if the Lions come up with some hitting and fielding to match its pitching, the team could pull some surprises in league play. Seniors who played their last baseball for Liberty were James Riciole, David Whitely, Larry Patty, Frank Berumen, Les Pinkston and Vidal Franco.

The J.V. Baseball team got off to a rather slow start early this season. However, at the time of this writing the entire team was beginning to show real improvement. Several Standouts should boost the strength of next year's varsity. Some boys showing improvement are Richard Pato, Dennis Paco, George Garcia, Doug Hammon, Tony Rios, Dieter Walseman, Frank Caldera.

## VARSITY AND J. V. TRACK

A green team at the beginning of the season, the track squad suffered several early season defeats. At the time of this writing the varsity squad had come through with one victory over Saint Mary's of Stockton. Coach Giardina has high hopes of team improvements and figures to bring home several more victories by the end of the season.

## CLASS OF '62

The beginning of our Junior year really started off with a bang. First on the program was our coke and hot dog sale, which took place during the night of the John Swett game. Hot dogs were sold as fast as the students could slap the dogs into the buns with a splash of mustard.

A great honor was bestowed on the Junior class when Mr. Callaghan announced at half time on Homecoming night our class had won first place for the best decorated and noisiest float of the parade. This made every Junior feel as if he were on cloud nine.

The most glamorous event of our Junior year was our Junior Prom. The excitement started that morning and continued throughout the dance. Such a night developing into a wonderful memory for us will remain within the minds of every Junior who helped to make the evening successful.

Loads of fun, chips, cokes, and hot dogs. This was our Junior class picnic. What a softball game, boys versus girls. 20 runs (all homers, of course) and everyone tired out.

Although looking forward to our Senior activities, we remember the fun, work, and time, experienced during our Junior year.

## CLASS OF '61

It just doesn't seem as if we are the graduating seniors. Only yesterday we were mere freshmen eager to partake of the new school life open to us. We looked forward to our new life with all its activities and gay times; now we look hopefully toward a life in a strange new world.

But we will always remember the times we have had at Liberty; the work and the fun will all become one as we recall our school years. Names may fade, but not the memories we have acquired.

**YEARBOOK SOCIETY**  
 This club consists of Annual Staff members and devoted students. We had an annual Christmas Dance with Jim Ricioli and Linda Linn reigning as Mr. & Mrs. Santa. The dance proved to be successful.

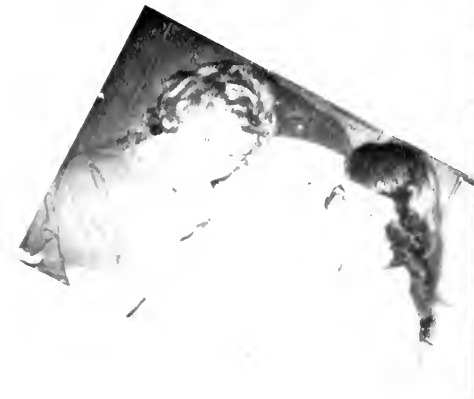

A trip was taken at the end of the year, where we dined and danced.
